For more information please contact claire@ranieripr.com

Marbella, Spain, 23 March 2006 – Mills & Mills Medical Group, a professional cosmetic surgery and aesthetic medicine company, today announced the UK launch of its unique personal enhancement service.

David Mills, Director, Mills & Mills Medical Group said "We offer a completely personalised "Circle of Care" approach to cosmetic surgery in Marbella. In addition to the procedure, we provide finance options, arrange all your travel and accommodation, as well as schedule your after care. The emphasis of the Mills & Mills experience is on professional care and great results." Unlike many cosmetic surgery companies abroad, Mills and Mills offer UK based consultations for their clients before they travel to Spain for treatment. They also offer follow up consultations back home with their plastic surgeons.

Established by respected UK cosmetic surgery professionals David and Debbie Mills, the company specialises in offering men & women the opportunity to be treated by experienced, qualified cosmetic surgeons in one of Europe's most medically advanced hospitals, in Marbella, Spain.

Mills & Mills Medical Group recognises the growing trend for customers to

travel abroad for cosmetic treatments – a trend accelerated by competitive prices for treatments abroad. Mills & Mills meets this need, whilst still maintaining high levels of professional medical care associated with a UK-based procedure. In addition, Mills & Mills ensure that all clients have sufficient relaxation and recovery time to ensure the best possible results for customers.

There are several case studies available, please do not hesitate to contact Rob Da Costa at mills@directional-marketing.co.uk / +44 (0)1727 828874

Mills & Mills Medical Group are available for comment on the latest surgery abroad trends and the best way to get in shape for the beach.

If you have a features list or would like to speak to Mills & Mills Medical Group about any of the procedures offered, please do not hesitate to contact Ranieri PR at claire@ranieripr.com / +44 (0)1296 468 560
